SCORING & PRIZES

Each match consists of one game to 15 points.

A team **DOES NOT** have to win by 2 clear points, the first player/team to score 15 points wins.

Every point won in a match will be added to the Teams cumulative total. So remember...
EVERY POINT COUNTS!

DOUBLES

There is only one serve in doubles. At the beginning of the game and when the servers score is **EVEN**, the server serves from the **RIGHT** side of the court.

When the servers score is **ODD**, the server serves from the **LEFT** side of the court.

If the serving side wins a rally, the receiving side wins a point. The receiving side becomes the new serving side.

The players **DO NOT** change their respective service side until they win a point when the side is serving.

Depending on the number of teams entered we will look to offer a 'round robin' or 'pools' format to ensure each team has the opportunity to play as many matches as
